

SETTING UP APPLICATION ENVIRONMENT

Create IBM Cloud Account

Date	17 November 2022
Team ID	PNT2022TMID20142
Project Name	Inventory Management System for Retailers

The screenshot shows the IBM Cloud homepage for a new user, Janapreethi S's Account. The interface is clean and modern, with a dark header bar containing the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account. The main content area is titled "For you" and features a grid of recommended services and tutorials. The "Build" section is highlighted with a large blue box, suggesting it's the primary path for new users. Other recommended services include Watson Speech to Text, Watson Studio, Virtual Private Cloud (VPC), and Watson Knowledge Catalog. A "User access" section allows for adding email addresses to jump into the setup. A "News" section lists recent updates, and a "Planned maintenance" section provides information on upcoming downtime.

The screenshot shows the IBM Cloud dashboard for an existing user, ARUNA RAMALAKSHMI P's Account. The interface is more complex than the homepage, with a dark header bar and a sidebar on the left. The main content area is titled "Dashboard" and features a grid of recommended services and tutorials. The "Build" section is highlighted with a large blue box. Other recommended services include Hosting with bare metal servers, Watson Speech to Text, Watson Studio, App Connect, Watson Internet of Things Platform, and Virtual Private Cloud (VPC). A "News" section lists recent updates, and a "Recent support cases" section provides information on ongoing support requests. A "Planned maintenance" section provides information on upcoming downtime, and an "IBM Cloud status" section shows the global status of the cloud services.
